

Universal bracket for Sound bar mounting

for use with e-Box® Mobile stand or Wall mount

Product datasheet

Universal bracket for Sound bar mounting

The accessory can be used on the e-Box® double column design Mobile stand and on the e-Box® Wall mount equipped with the anti-collision feature.

The bracket can be mounted between the panel and the standard VESA box for VESA dimensions 400 and 600 wide.

Check the drawing on the reverse for Sound bar mounting possibilities.
